

On January 1, 2024 many of our services will have a price adjustment.

Group Acupuncture: \$40

Now available at Emerging Energy! Our Group Acupuncture takes place in a large treatment room with 6 zero gravity recliners. These small group wellness acupuncture treatments offer a time to de-stress, reset, and tune-up within the space of a community with a shared healing intention. We include tension melting heated neck wraps and weighted lap blankets to aid in relaxation. *These wellness treatments are not billable to insurance.*

Mini Acupuncture: \$70**

This treatment is only available for those who have been seen for acupuncture within the last month. The intake is very brief, and your one sided treatment lasts 45 minutes and does not include cupping, gua sha, or electric stimulation.

Acupuncture Follow Up: \$100**

An acupuncture follow up may include additional time to reassess your condition if it's been longer than a month, one or two sides of treatment, the addition of electrical stimulation, celluma, and/or cupping, tui na, or gua sha.

First Visit: Intake + Acupuncture: \$170**

Our fee depends on the complexity of your case and time required, and your treatment. If we bill insurance, the Intake & Evaluation code may or may not be covered by your insurance plan.

First Visit: Intake & Evaluation only: \$100**

Cupping or Gua Sha: \$90

For those who want Cups or Gua Sha but no needles, this visit includes a warm towel to relax the muscles of the neck and back followed by sliding and stationary Cupping or Gua Sha. You can specify if you'd like specialty shapes such as stars or hearts in the appointment notes.

No Show/ Late Cancellation: Full "time of service payment" fee

**The "time of service payment" fees reflect a discount from the fees billed to insurance. Full fee schedule is available upon request.

You are responsible for all fees for services not covered by your insurance company, so we suggest calling them to fully understand your benefits for Acupuncture.
